Be advised, the Tank Testing and Pipeline Testing reports, and the Revised Startup Plan were just received by DOGGR. Obviously these documents have not yet been reviewed, and no approvals are pending at this time. Review of these documents by DOGGR will begin by the end of next week.

Matt – I have also added Ralph Venturino, Department of Conservation Senior Counsel, to this email. Please add him to the master email group. His email address is Ralph.Venturino@conservation.ca.gov.

Thank you,
